Dennis Clark (pg. 12): Dennis has been a regular fixture in the independent comics scene for many years now. He is best known to Radio readers for his work in **Furrlough** and **Genus** ("Collars & Cuffs"), though he has also done work for Shanda Fantasy Arts and self-published a ton of stuff. Doug Gracey (pg. 16): This is Doug's second appearance at Radio Comix, his other being a Snowbuni piece in **Furrlough** #100. He works closely with Snowbuni's creator, Jeff Wood, to keep this classic character in print. There will be more coming from Doug in the future!

Brandon Graham (pg. 17): Brandon is the artist of the brilliant science fiction mystery **Universe So Big**, as well as short stories for **Milk** and **A-Bomb** (Anthill Comics). He currently resides in the urban squalor that is New York City and will have several short stories in future issues of **Mangaphile**. He wants everyone to know he *does* like pretzels.

His art and comic work has appeared in **Furrlough**, **Genus** and **Milk**, as well as the odd writing job with his compatriot, Brian Sutton.

Ursula Husted (pg. 21): Ursula's unique art style has earned her a loyal following at funny animal conventions and here she makes her Radio Comix debut! She is currently studying Japanese and hopes to travel to Japan in the near future. She is also on the Yerf archive under the name Hedgy.

Dan Matanski (pg. 22): Dan works in the glamorous video game industry and has also occasionally done work in comics like the **Ninja High School** specials for Antarctic Press and previous issues of **Hit the Beach**. Eddie Perkins (pg. 28): Eddie is best-known for his adorable adventure comedy "Dragon Heaven" in **Furrlough** and his shorts in **Mangaphile**! He would like to assure everyone that he is not Meat Loaf. Daria McGrain inked this piece. She has been in **Genus** and **Milk** and also inks **Saiko & Lavender** (Anti-Ballistic Pixelations).

Riley (pg. 29): Riley returns after a long, long absence! One of the original **Furrlough** contributors, Riley penned several stories from the early days when **Furrlough** was strictly military-themed. He has also appeared in countless **Ninja High School** annuals, and this is his Radio Comix debut!

Joe Rosales (pg. 30): Joe, the Art Guy, has been a regular contributor to **Furrlough**, **Genus** and the late **Wild Life** from Antarctic Press. He is the creator of the **Wildlifers: Back-To-School Special**. He enjoys Roman culture, good chips and queso and analyzing popular cartoons. He swears "Romanics" will continue in **Furrlough**!

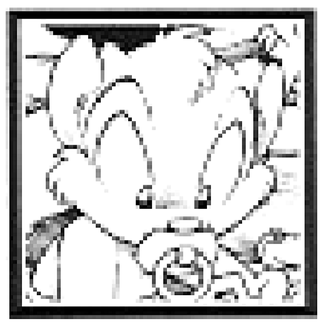

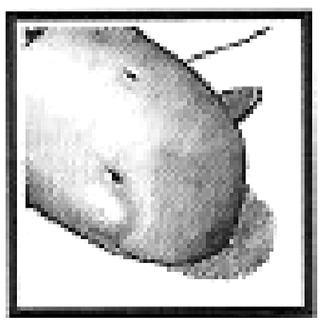

William Ruzicka (pg. 31): William is the artist of the "Time Venturer" and "Neo-Bioform Go" series in **Furrlough**, sharing duties with writer Erick Melton. He has tons and tons of art on Yerf, and will be doing more comics than you can shake a stick at in the future! He has also been in **Hit the Beach** and just can't seem to stop drawing!

Marc Schirmeister (pg. 32): Marc is a well-known storyboarder for the animation industry. He is one of the founders of the funny animal APA **Rowrbrazzle** and has been active in the fandom since the late 1970's. He has had appearances in previous issues of **Hit the Beach**.

Eric W. Schwartz (pg. 33): Eric is probably best known for his immensely popular **Sabrina Online** online comic strip, as well as his cute creation, **Amy the Squirrel**. A master of the Amiga, Eric was making his own animation back before the internet made it easy. Eric's work can be viewed online at www.sabrina-online.com!

Okawa Seishou (pg. 34): Okawa Seishou has been in previous issues of **Hit the Beach**, as well as **Furrlough** issues. He is rather quiet, but his reserve hides a strong passion for Hayao Miyazaki anime, evil parodies and puns, sweets and building the ultimate computer for video editing.

Terrie Smith (pg. 35): Terrie is arguably one of the most popular funny animal/anthropomorphic artists working today. She is currently drawing the fan-favorite comic **Havoc, Inc.**, written by Mark Barnard. She has also had work published too many other places to count and also sells her artwork across the country at conventions.

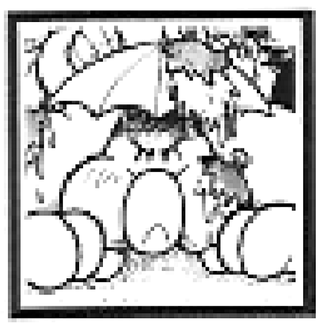

Diana X. Sprinkle (pg. 36): Diana is the artist of the comedic fantasy "Dragon Heaven" in **Furrlough** and "Justice" in **Mangaphile**. She recently finished up **Saiko & Lavender** (Anti-Ballistic Pixelations) and is currently working on far too many comics to count with her partners in crime, Daria McGrain, Eddie Perkins and Michael Vega.

Brian Sutton (pg. 37): Brian-o has had stories in **Furrlough** and **Genus** since the start of both books, as well as covers and illustrations in both! He also penned the pulp-style miniseries **Eureka**, with co-conspirators Shon Howell and Mark Moore, who he will be teaming up with again in the near future. Brian-o enjoys Gundam, Pop-Tarts and Blue Bunny frozen treats.

Thor Thorvaldson Jr. (pg. 38): Thor is the artist of the comedy serial "Inventory Mistress Xiomara" in **Furrlough**, and has also had work in **Milk**. He's also drawn several badgirl vampire babe books for Brainstorm Comics as well, but we don't tease him about them too badly! Thor is currently working on more comics as we speak!

TRUMP (pg. 39): TRUMP is a Japanese artist and the author of the manga **Charm the Cat**, in addition to many more. He is also a cover artist for **Genus** and has been in **Hit the Beach** before. His full-length one-shot. Luck of the Draw was an instant classic! In his spare time he runs the Team Shuffle fanzine circle in Japan, and publishes the doujinshi, **Book of the Beast**. He enjoys the Power Puff Girls and painfully spicy food.

Michael Vega (pg. 40): Michael is the artist of "Full Knight Gear" in **Furrlough** and the **Morning Glory** miniseries. He also recently finished **Saiko & Lavender** for Anti-Ballistic Pixelations! A fan of Invader Zim, Michael is plotting more evil in the form of comics so he can eventually conquer the world.

Momiji Yuga (pg. 41): Yuga-san is a Japanese manga artist specializing in "kemono" (or "beast-people") art. His adorable art style has been seen before in the doujinshi **Book of the Beast** and in professional manga circles as well. His work will also be seen on upcoming issues of **Genus** in the near future. Yamaneko-ya also enjoys Transformers: Beast Machines.
